

The Value of Placing a Nurse on Your Board of Directors

For Profit, Non-Profit and Government Board Benefits

Qualities & Skills Nurses Contribute:

- **Ethics & Integrity**

Nurses are voted #1 most respected and ethical profession.
(Gallup Poll results 13 years)

- **Problem Solving/Critical Thinking**

Nurses are problem solvers and critical thinkers who use a systems perspective to assess situations and offer comprehensive solutions.

- **Budgeting & Staffing**

Nurses at all levels of administration know how to manage budgets and staff and are attuned to the effectiveness of their budget.

- **Results Oriented/Accountable**

Nursing is an evidence based profession that uses measurement and outcome data for decision making.

Nurses work hard to get the job done under pressure and done right.

- **Team Players**

Nurses work well with others while communicating value for each member of the team.

- **Health Promotors**

Nurses are knowledgeable about the social determinants of health and how to promote the health of individuals, families and communities.

Consider adding a nurse to your Board Team today!
